## TIM GODDARD, EVP MARKETING, CORUM GROUP LTD.

- Timothy joined Corum **in 2011 and oversees the company's global** marketing efforts from the headquarters near Seattle. Chief among these is Corum's **extensive conference schedule, "Selling Up, Selling Out," the Merge Briefing, the Tech M&A Monthly** webcast and Corum's platinum sponsorship of the World Financial Symposiums' live events and Market Spotlight series. Through these events, Corum **Group serves as the world's** leading educator in technology mergers and acquisitions.
- Prior to joining Corum, Timothy served as marketing and product manager for GIS software startup Depiction, Inc., and previously worked in marketing for VizX Labs, a pioneering SaaS startup delivering DNA analysis tools. In addition to marketing for software startups, Tim has worked for a US Senate campaign and taught science in Rio de Janeiro.
- Timothy graduated Magna Cum Laude from Bethel University in St. Paul, Minnesota, with degrees in History and Biology.

## ACQUISITION OPPORTUNITY

### Fast-Growing Mobile/Remote Workforce Management SaaS

Our client is the technology leader in remote workforce / human capital management (HCM) with SaaS and mobile solutions for a world that has shifted beyond basic time and expense reporting to embrace big data, IoT and compliance – critical elements in today’s business environment.

The firm is growing rapidly, has been on Inc.’s 500|5000 list seven times, adding over 2,500 clients annually to its 7,500+ base. The company successfully pivoted its users from on-premise to SaaS - [REDACTED]

***I paid for the system in about a month and it really got my employees in line in terms of what their productivity was all about.***

Our client’s solutions are indispensable to industries that deploy field personnel, including construction, transportation and an increasing number of employers with mobile workforces. Though the company’s core clients are SMEs, it also serves industry heavyweights like Fluor and Clark Construction.

In a fragmented marketplace, our client has the potential to become the standard for remote

### Investment Highlights

- *Leader in attendance systems and rugged mobile time management for construction, field services, SME*
- [REDACTED]
- *Successfully converting existing clients to SaaS*
