Tech M&A Monthly

14 Steps to a Bidding War

June 8, 2017

Welcome

Timothy Goddard
SVP, Marketing
Corum Group Ltd.

Timothy joined Corum in 2011, and oversees the company's marketing efforts globally from the headquarters near Seattle. Chief among these is Corum's extensive conference schedule, "Selling Up, Selling Out," the Merge Briefing, the Tech M&A Monthly webcast and Corum's platinum sponsorship of the World Financial Symposiums' live events and Market Spotlight series. Through these events, Corum Group serves as the world's leading educator in technology mergers and acquisitions.

Prior to joining Corum, Timothy served as marketing and product manager for GIS software startup Depiction, Inc., and previously worked in marketing for VizX Labs, a pioneering SaaS startup delivering DNA analysis tools. In addition to marketing for software startups, Tim has worked for a US Senate campaign and taught science in Rio de Janeiro.

Timothy graduated Magna Cum Laude from Bethel University in St. Paul, Minnesota, with degrees in History and Biology.

CORUM

Field Report:

Hospicesoft acquired by Optima Healthcare Solutions

Steve Jones
Vice President
Corum Group Ltd.

Steve joined Corum after 25 years of executive experience in various high-tech industries with both public and private venture-backed startups. He has extensive global experience, opening international markets and growing sales from zero to tens of million in revenue. He has been on the forefront of selling several companies and spinning off software divisions, highlighted by the sale of GetFon to Alestra (AT&T Mexico). He is fluent in Spanish.

Steve was the founding CEO of Solera Networks, a real-time intrusion detection security company. He also co-founded Auction Trust Network, an eCommerce company for online exchanges; which he sold to MediaForge (Rakuten Marketing).

Steve is a board member of several software companies and has industry expertise in several areas: enterprise apps and infrastructure, security, mobile and wireless, media & entertainment, supply chain, and embedded devices/systems (IoT).

Field Report: Pipeline acquired by Prometheus Group

Allan Wilson
Vice President
Corum Group Ltd.

Allan has over 30 years of executive and entrepreneurial experience and has built and sold several software companies in sectors including, manufacturing, supply chain, big data, predictive analytics and social networks. He has deep understanding of Aerospace, Automotive, High Tech, Healthcare, Consumer Products and Military Contracting operating models.

Allan has extensive international experience and lived in Germany for a time working for SAP, following the sale of his company to them in 2009.

14 Steps to a Bidding War

14 Steps to a Bidding War

Bruce Milne
CEO
Corum Group Ltd.

A leader in the software industry, Bruce has founded or owned four software companies, including the largest vertical market software company, AMI, an Inc. 500 firm rated by IDC as the fastest growing computer-related company in the world.

He has served on advisory boards for Microsoft, IBM, DEC, Comdex and Apple, and as board member/founding investor in some of the most innovative firms in their field, including Blue Coat, Bright Star and Sabaki. Past advisor to two governors and a senator, a board member of the Washington Technology Center, and founder of the WTIA, the nation's most active regional technology trade association.

He worked with the Canadian government to found SoftWorld, and he was recently chosen as one of the 200 most influential individuals in the IT community in Europe. He was also the only American juror for the recent Tornado 100 Awards given to Europe's top technology firms

A graduate with Distinction from Harvard Business School, Bruce has written three books on business models for success, including *Power Planning*. He is a frequent lecturer and author.
